

# SARAL BAJRACHARYA

Suryabinayak, Bhaktapur • +9779813627695 • saralbjr@gmail.com • <https://saralb.com.np>

Quick learner passionate about coding and problem-solving, with hands-on experience through personal projects and internships. Strong team player ready to contribute and grow in a professional development environment.

## PROFESSIONAL EXPERIENCE

Infotraid Technology, Suryabinayak, Bhaktapur

Feb 2025 - April 2025

### Software Developer Intern

- Built and maintained RESTful APIs using Express.js with a clean, structured backend architecture.
- Designed and managed relational databases using Prisma ORM and PostgreSQL.
- Developed full-stack web applications using Next.js, React, and React Query with responsive and interactive UIs.
- Implemented advanced features like dynamic data tables and real-time admin notification systems.
- Collaborated using modern development practices including component-based design, API-first development, and state management.

Cloud Factory (Remote)

July 2024 - Present

### Image Annotation

- Labeled and annotated construction site images to create accurate training data for AI models at Buildots.
- Identified objects, element types, and installation statuses while following strict quality guidelines.
- Reviewed and refined annotations to improve the performance and reliability of AI systems.

## EDUCATION

Bhaktapur Multiple Campus, Dudhpati, Bhaktapur

Aug 2021 - Present

### Bachelors of Computer Application

- Gained strong foundation in programming, software development, databases, and web technologies.
- Completed academic projects focused on full-stack development, problem-solving, and real-world application development.

## SKILLS & OTHER

### Front-end

- HTML, CSS, Javascript
- React JS
- Next JS

### Back-end

- Express JS
- Node JS
- Next JS

### Database

- Mongo DB
- PostgreSQL
- Mongoose ODM
- Prisma ORM
